

CARES AND PRAYERS

Inwood Christian School

Volume 3, Issue 8

May 18, 2011

What is the Purpose?

Here are some things the students are going to be praying for over the summer. They would like you to join them in praying for these things also. All these reasons for prayer are important because all the students have things that need to be prayed for in their lives or in someone else's lives.

Focus Verse

"The Lord has heard my cry for mercy; the Lord accepts my prayer."
